similar devices—all apple devices, or all kindles, etc. There are system/screen size requirements you need to ensure your device(s) meets before purchasing the app. This is NOT the free phonogram app that Kindergarten class uses; that is a great tool as well, but does not function as the letter tiles app. **The link to the letter tiles app is listed below with each class list, and it has a video that gives a brief overview of the app.**

AAR/FLL/spelling 1

- [All About Reading 1 second edition.](#)
- <https://www.allaboutlearningpress.com/letter-tiles-app/>
- [AAR Interactive kit](#)
—note this is a one time purchase for use with both AAR and AAS, if you have purchased it for a prior level of AAR or AAS you do not need to purchase another kit. Letter tiles need to be separated with magnetic squares added to the back along with your student's name on each individual tile.
- Magnetic dry erase board to use with the letter tiles
[EXAMPLE](#)
- [First Language Lessons \(FLL\) Level 1](#)
- Spelling concepts and assignments will be sent home weekly – concepts and word lists will be drawn from the [All About Spelling level 1 curriculum](#)
